**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The fact that the FCC is endorsing action that limits free markets is absurd. Rural america is already subject to zero to one choice on internet service providers. We MUST allow all avenues to support independent businesses to provide internet access to rural america. DO NOT side with big business who have no interest in our communities!
